## North East Ski Joring Association Guidelines for Registration

### Membership:

- ✓ All competitors need to have current membership in the North East Ski Joring Association (NESJA) either Family or Individual to compete.
- ✓ Competitors who are competing in the Open or Sport Divisions need to have current North American Ski Joring Membership (NASJA) either Annual or Weekend to compete in these divisions.

### Divisions:

- ✓ **Open** – Age 16 and over as of December 1<sup>st</sup> or prior to the first NASJA Race. Open is considered the pro division for the top teams and fastest competitors. This division has higher payout prize money and a National Championship Award for the competitors with the highest point total at the end of the season. Rider and Skier must declare which 2 runs down the course will be used for NASJA points before racing or points will not be awarded.
- ✓ **Sport** – Age 16 and over as of December 1<sup>st</sup> or prior to the first NASJA Race. Sport is for the intermediate competitor. This division is awarded payout prize money and prizes. NASJA points will be accumulated and the first place competitors will be announced at the end of the season.
- ✓ **Junior** – Both the rider and skier must be between the ages of 10 to 17 to compete in this division. This is a competitive division for the junior rider and skier. Non-cash prizes will be awarded.
- ✓ **Pee-wee** – Age 9 and under. This division is for children that want to ski. Skier must be pulled by person 18 years and older. No places are given. Participation prize given to each skier.

Pre-Registration along with you check or money order is appreciated and should be received by the Friday of the scheduled race. This allows the entries to be entered into the computer, bib numbers can be assigned and there will be a savings of \$5 for pre-registration. This speeds up the process on race day so all you have to do is report to the registration area and your numbers will be given to you. Please keep your number to use in the next race.
